

Clausing Industrial

PRESS RELEASE

Clausing Industrial Inc., Providing Machine Tools to the Aerospace Industry and Defense Department

Clausing Industrial, Inc., a company dedicated to excellence in machine tool distribution and support services, provides their customers with a world class range of products and services, which few machine tool companies can match. Founded in 1911, Clausing has continued to adapt to the ever changing machine tool market. Over the past century, Clausing's product offerings have enabled Clausing to maintain a leadership position supplying the Aerospace Industry and Defense Department with only machine tools

good enough to wear the 'Clausing' label.

Clausing is your single source for precision machine tools:
